Users wishing to use reproduce or republish SIGN material for commercial purposes must seek prior approval for reproduction in any medium by completing this form. Applicants for such permission should be aware that:

- SIGN guidelines do not endorse specific products.
- Reproduction of SIGN material must be verbatim.
- Within marketing material there must be a clear separation between any SIGN material and product specific information or marketing.

SIGN does not endorse in any way derivative or excerpted materials based on these guidelines, and it cannot be held liable for the content or use of any such adapted products. The use of the SIGN name or logo for the purposes of advertising or implied endorsement of any derived product or service is strictly forbidden.
